

## MEDICAL

**DR. J. E. SMITH,**

No. 91 TWELFTH STREET.  
The best evidence of a physician's success is the testimony of his patients. The increased number of his patients, who will have those who have consulted him and those who have consulted others, will speak for themselves. Dr. Smith has had many years' experience in the practice of medicine, and has given his attention to the treatment of diseases, and strict attention to the care of his patients. He has been successful in his practice, and has won the confidence of his patients.
